Taylor & Francis eBooks

A PREMIUM REFERENCE EBOOK COLLECTION

Taylor & Francis eBooks is an online digital platform that offers a comprehensive collection of eBooks written by a world-renowned and award-winning network of editors and authors.

FEATURES, BENEFITS, AND FUNCTIONALITY:

- Streamlined experience and a single point of discovery for all eBook content
- Improved search and discovery of content at the book and chapter level
- Better citation functionality (APA format)
- Enhanced filtering of search results
- Access books & book chapters – PDFs available for download
- Book and chapter abstracts available both in search results and product pages
- Detailed tables of contents for most products
- Create citations in APA format
