The International Guide to the Academic World

A guide to the world of higher education, listing global institutions of higher education and learning, and the people who work within them.

Key highlights include:

- Over 35,300 universities, colleges, schools of art and music, libraries, learned societies, research institutes, museums and art galleries, regulatory and representative bodies in 228 countries and territories worldwide.
- Details more than 233,000 staff and officials
- Details more than 28,400 publications
- Information on more than 600 international cultural, scientific and educational organizations
- Completely revised and updated throughout the year
- Covers every important library giving the number of volumes held and outstanding features of the collection
- Professors at major universities are listed by name, together with the subjects in which they specialize
- All entries provide: Name; address; telephone numbers, e-mail and internet addresses; principal personnel; activities and publications, where available
- Exceptional as a worldwide academic mailing list

"I can't imagine why any library would not opt to give its users greater, enhanced access to valuable information via the web-based product. Highly recommended."

– Reference Reviews

The screenshot shows the website's homepage. At the top, it says 'The Europa World of Learning THE INTERNATIONAL GUIDE TO THE ACADEMIC WORLD' and the Routledge Taylor & Francis Group logo. Below this is a navigation bar with 'HOME' and 'HELP'. The main content area features a login section with fields for 'Username:' and 'Password:', a 'LOG IN' button, and a note about Athens authentication. To the right, there is a 'Welcome to The Europa World of Learning online' message with a small image of a library. Below the login section, there are links for 'Pricing Enquiry', 'Register for a free trial', 'Facts and figures', 'Free demo', 'Reviews', 'Credits', 'Feedback', and 'Licence'. A 'Site updated:' section follows, detailing the latest update with 807 updated entries and 477 new entries across 84 countries and territories. A list of countries is provided, including Algeria, Egypt, Libya, Morocco, Nigeria, Sudan, and Tunisia. At the bottom, there is a note about an archive of introductory essays available for download.

"... current, well indexed, and well edited – a valuable and unique reference classic. An online version complements the print edition and offers browse functions and frequent updates. Summing Up: Highly recommended." – Choice Reviews

"For users seeking a quick, easy-to-use, one-stop source for information on academic institutions located around the world, the online version of *The World of Learning* will prove to be popular and useful." – Booklist
