Taylor & Francis Online

Fully responsive interface. Start exploring world-renowned academic research with Taylor & Francis Online.

The platform has:
- A clean, intuitive and responsive user interface
- Enhanced discoverability
- Easy-to-use search and browse functionalities

Key Features
For librarians
- Link Taylor & Francis online journal content with your library catalog and track your institution’s usage with COUNTER-compliant statistics.
- Share research using social bookmarks, upload your library’s logo, obtain RSS feeds, and manage alerts to publications and articles.

For researchers
- Enhanced discoverability with multi-faceted search makes finding articles and journals simpler and faster, with options to filter by subject, publication date, and access options.
- Easy manuscript submission, clear information and instructions designed to meet the needs of anyone looking to publish their research.

For journal editors and learned societies
- Prominent journal branding, making it easy for readers to identify and access key journals. Journal titles and covers are elevated and journal pages offer an improved display of related and key content using a streamlined and easy to read new “card” design.
- Improved video display in HTML5 provides more impact for journals with video abstracts or video content.
